

## **COLUMBIA RIVER ECONOMIC DEVELOPMENT COUNCIL FUNDING**

Between 1995 and 1999 Identity Clark County provided \$330,000 in funding to the Columbia River Economic Development Council for the purpose of recruiting family wage jobs to our region. Some of that funding was directed specifically toward the recruitment of WaferTech, its suppliers and support companies. The net result was a 1.26 million percent return on investment to the community.

Vancouver Downtown Parking and Development Evaluation, an analysis of public parking structures and public/private partnerships to stimulate development. Contact ICC for more information on this study.

Vancouver @ 2001, a study/design for City of Vancouver in fiscal policy planning. Contact ICC for more information on this study.
